

CURRICULUM VITAE

NAME: Tania Jeanne Phillips

ADDRESS:

NATIONALITY:

EDUCATION:

Guys Hospital Medical School, University of London,
London, UK

B.Sc (Hons) Intercalated B.Sc.

Honours Programme in Physiology

MB,BS. Bachelor of Medicine, Bachelor of Surgery

(Equivalent to M.D. in the U.S.A.)

DATE OF QUALIFICATION:

POSTDOCTORAL TRAINING:

Internships and Residencies

Internship in Internal Medicine, General & Vascular Surgery

Guy's Health District,
London and Brighton, England

Internal Medicine/Cardiology/Intensive Care Fellowship

Whittington Hospital, London, England

Internal Medicine, Diabetes and Endocrinology,

Neurology & Geriatrics, Senior House Officer (equivalent to resident)

Whittington Hospital, London, England

Thoracic Medicine, Cardiology, Senior House Officer

Brompton Hospital, London

London Chest Hospital, London, England

Internal Medicine, Registrar

(equivalent to chief resident)

The London Hospital Whitechapel, United Kingdom

Research Fellowship

Dermatology Fellow. Dermatology Department,

Boston University School of Medicine and

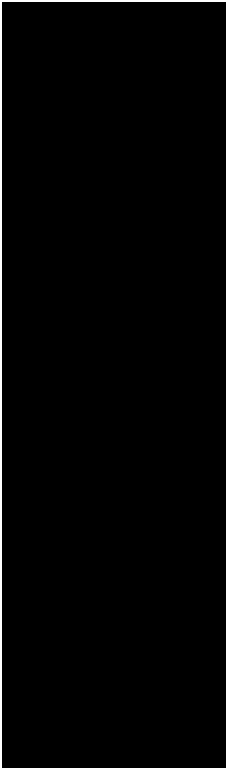

Department of Cellular and Molecular Physiology,

Harvard Medical School

Faculty and Staff Appointments

1990-93	Assistant Professor in Dermatology, Boston University School of Medicine
1990-	Visiting Physician; The University Hospital
1990-	Attending Dermatologist; Boston City Hospital
1990-91	Consultant in Dermatology; The Spaulding Hospital, Boston
1990-94	Consultant in Dermatology; The Deaconess Hospital, Boston
1990-91	Consultant in Dermatology; Jewish Memorial Hospital, Boston
1990-95	Consultant in Dermatology, Aroostook County Medical Center Presque Isle, ME
1990-	Director, Wound Healing Clinic; The University Hospital
1991-2006	Director, Dermatology Clinical Research Center, Boston University Medical Center
1993-98	Associate Professor in Dermatology Boston University School of Medicine
1998-	Professor in Dermatology Boston University School of Medicine
2002-3	Staff member, New England Baptist Hospital
2006-	Dermatologist, Skin Care Physicians of Chestnut Hill
2006-	Staff member, New England Baptist Hospital

QUALIFICATIONS:

	B.Sc. (Honors) Physiology
	University of London
	MB BS. Guys Hospital Medical School
	Bachelor of Medicine / Bachelor of Surgery
	MRCS LRCP
	Member of the Royal College of Surgeons, London
	Licentiate of the Royal College of Physicians, London
	MRCP (United Kingdom) Internal Medicine
	Specialist certificate of the Royal College of Physicians, United Kingdom
	LMCC
	Licentiate of the Medical Council of Canada
	FMGEMS
	ECFMG Certificate awarded
	Massachusetts License No. 
	FLEX
	College of Physicians and Surgeons of Ontario (Canada)
	General License No. 
	FRCPC
	Specialist Certificate in Dermatology
The Royal College of Physicians of Canada	
Specialist in Dermatology (UK)	
1990-2000	Maine license No. 
	Fellow of the Royal College of Physicians (UK)

ACADEMIC APPOINTMENTS

1983-1984	Tutor in Internal Medicine, University of London
1984-1986	Tutor in Dermatology, University of London
1986-1990	Teaching Fellow in Dermatology Research Fellow in Geriatric Dermatology Boston University School of Medicine Department of Dermatology and Department of Cellular and Molecular Physiology, Harvard Medical School Dr. Barbara Gilchrest, Dr. Howard Green
1990	Assistant Professor in Dermatology Boston University School of Medicine.
1993-98	Associate Professor in Dermatology Boston University School of Medicine
1998 -	Professor in Dermatology Boston University School of Medicine

AWARDS, HONORS, PRIZES

TEACHING EXPERIENCE:

- 1980-83 Medical student tutor, University of London
- 1983-86 Tutor to [REDACTED] Internal Medicine taking MRCP
(equivalent to boards in medicine)
Grand Rounds Speaker for Departments of Internal Medicine, Thoracic Medicine, Neurology,
Diabetes and Endocrinology, Cardiology, Geriatrics and Dermatology
- 1986 Teaching Fellow in Dermatology, Boston University
Grand Rounds Speaker to Departments of Surgery, Geriatrics, Rheumatology, Internal Medicine,
Spinal Injuries Unit, Boston University Hospital
- 1987 Invited guest lecturer: Grand Rounds, Department of Dermatology
Massachusetts General Hospital,
Harvard Medical School Geriatrics Department
Jewish Memorial Hospital, Boston
- 1988 Dermatology Department, McMaster University, Hamilton, Ontario
Department of Medicine, Spaulding Rehabilitation Hospital
Department of Surgery, Stony Brook Hospital, Long Island, New York
Convention of Biotechnologies in Medicine, Turin, Italy
- 1989 Invited guest lecturer at The American Venous Forum, New Orleans
Cultured Epithelial Grafts in Wound Closure: an Update Symposium, New Orleans
Current Topics in Infection Control, Boston
Wound Care Symposium, Utica, NY
Department of Dermatology, University of British Columbia, Vancouver, BC
- 1990 Invited guest lecturer at Symposium on Advanced Wound Care, Orlando, FL
Atlantic Dermatological Society, Boston
Departments of Dermatology and Surgery, Royal Prince Alfred Hospital, Sydney Australia
Department of Dermatology, University of Melbourne, Melbourne Australia
Symposium on Current Trends in Skin & Wound Care, Binghamton, NY
Society for Investigative Dermatology, Annual Meeting, Washington, DC
22nd Annual Conference, International Association for Enterostomal Therapists,
Las Vegas, NV
American Academy of Dermatology Summer Meeting, Boston, MA
The Vital Link: a multidisciplinary approach, Wound Care Conference. Schenectady, NY
FDA/NIH- Workshop on Scientific Issues Regarding Cytokine/Growth Factors: Long-term
Safety Issues, Bethesda, MD
Dermatology Update, New York Academy of Sciences, NY
Host for AGS Summer Institute, Dermatology Section, The Westwood Conference in Clinical
Dermatology, Hilton Head, South Carolina
Symposium on Skin Aging, Gerontological Society of America, Annual Meeting,
Boston, MA
Leg Ulcer Forum, American Academy of Dermatology, Annual Meeting, Atlanta, GA
Wound Healing Symposium, American Academy of Dermatology, Annual Meeting
Atlanta, GA
- 1991 Primary Care Residents Lecture Course, Boston City Hospital, Boston, MA
Grand Rounds, Spaulding Hospital, Boston, MA
Northeast Region IAET Conference, Secaucus, NJ
Leg Ulcer Forum, American Academy of Dermatology, Annual Meeting, Dallas, TX

- 1992 Therapeutic Hotline, American Academy of Dermatology, Annual Meeting, Dallas, TX
 Biology of Disease Course, Boston University School of Medicine, Boston, MA
 Primary Care Residents Lecture Course, Boston City Hospital, Boston, MA
 Department of Anatomy and Cell Biology, University of Cape Town, South Africa
 Department of Dermatology, University of Cape Town, South Africa
 Medical Research Forum in Advanced Wound Care, New Orleans, LA
 Symposium on the Effect of Aging on Skin and Oral Mucosa, Iowa City, IA
 International Committee on Wound Management, Brussels, Belgium
 Dermatology Chief Resident Symposium, Scottsdale, AZ
 Leg Ulcer Forum, American Academy of Dermatology, Annual Meeting, San Francisco, CA
- 1993 Biology of Disease Course, Boston University School of Medicine, Boston, MA
 South Shore Visiting Nurses Assn., Educational Day
 University of Colorado, Winter Skin Seminar, Snowmass, CO
 New England Dermatologic Society, Didactic meeting, Boston, MA
 NIH Consensus Conference, Epidemiology of Skin Disease, Bethesda, MD
 Grand Rounds, Massachusetts General Hospital, Boston, MA
 Grand Rounds, Norwood Hospital, Norwood, MA
 Lecture to Staff, Kendall Healthcare Co., Lexington, MA
 Symposium on Research into Aging, London, United Kingdom
 Symposium on Geriatric Medicine, Harvard Medical School, Boston, MA
 Symposium on Advanced Wound Care, San Diego, CA
 South Africa Dermatology Annual Meeting, Cape Town, South Africa
 International Committee on Wound Management, Berlin, GDR
 American Academy of Dermatology, Summer Session, Toronto, Canada
 Living Skin Equivalent and Allografts, Convatec Advisory Board Meeting, Princeton, NJ
 Management of Venous Ulcers (12/4/93); Leg Ulcer Management (12/6/93)
 American Academy of Dermatology Annual Meeting, Washington, DC
- 1994 Visiting Lecturer, Toronto Dermatological Society, Toronto, Canada
 Medical Grand Rounds, Womens College Hospital, Toronto Canada
 Genzyme Scientific Advisory Meeting, Cambridge, MA
 Biology of Disease Course, Boston University School of Medicine, Boston, MA
 Medical Grand Rounds, Hartford Hospital, Hartford, CT
 Medical Grand Rounds, Youville Hospital, Cambridge, MA
 Invited Speaker, Advanced Wound Care Symposium, Miami, Florida
 Speaker & Chair, Medical Research Forum on Wound Care, Miami, Florida
 Health & Beauty Aids Global Expo Conference, New York, NY
 Calgon Vestal Scientific Advisory Meeting, St. Louis, MO
 Guest Lecturer, Contemporary Skin Care & Ostomy Management, Cambridge Hospital, Cambridge, MA
 Guest Lecturer, New England Regional W.O.C.N. Meeting, Marlborough, MA
 Guest Lecturer, Barnes Jewish-Christian Hospital Group, St. Louis, MO
 Grand Rounds, Jewish Memorial Hospital, Boston, MA
- 1995 Biology of Disease Course, Boston University School of Medicine, Boston, MA
 Leg Ulcer Management, American Academy of Dermatology Annual Meeting, New Orleans, LA

Chronic Wounds Symposium, American Academy of Dermatology Annual Meeting
 New Orleans, LA
 Diagnostic Approach to the Leg Ulcer Patient, American Academy of Dermatology Annual
 Meeting, New Orleans, LA
 Cost Effectiveness in Wound Care, International Committee on Wound Management, Lisbon,
 Portugal
 Invited Guest Lecturer, Northwestern University School of Medicine, Hawaii Dermatology
 Symposium, Maui, Hawaii
 Aging of the Skin, Lecture to Dermatology Residents, Boston University School of
 Medicine, Boston, MA
 Speaker and Chair, Advanced Wound Care Symposium, San Diego, CA
 Visiting Professor, Wound Healing Research Institute, Department of Dermatology
 University of Cardiff, Wales
 Visiting Professor, Wound Healing Research Institute, Department of Dermatology
 Cardiff Institute of Higher Education, Cardiff, Wales
 Visiting Professor, Wound Healing Research Institute, Department of Surgery
 University of Cardiff, Wales
 Visiting Lecturer, Smith & Nephew Tissue Repair Unit, York, UK
 Visiting Professor, Royal College of Physicians of Canada
 New Brunswick, Canada,
 Visiting Professor, Department of Dermatology, Dartmouth Medical School,
 Dartmouth, NH
 Visiting Lecturer, Oregon Dermatology Society, Pacific Northwest Dermatologic Society
 Ashland, OR
 Visiting Professor, Department of Dermatology, Ottawa General Hospital, Ottawa, Canada
 Visiting Lecturer, American Medical Womens Association, New Haven, CT
 Invited Speaker, New England Dermatology Society, Boston, MA
 Visiting Lecturer, Medical Grand Rounds, Bay State Medical Center, Springfield, MA
 1996 Occlusive Dressings in Wound Management, American Academy of Dermatology, Annual
 Meeting, Washington, DC
 Visiting Professor Pro Tempore, Department of Dermatology, Mount Sinai Hospital,
 New York, NY
 Visiting Lecturer, Medical Grand Rounds, Staten Island Hospital, New York, NY
 Howard Fox Visiting Professor, Department of Dermatology, NYU Medical Center,
 New York, NY
 Speaker & Chair, Symposium on Advanced Wound Care, Atlanta, GA
 Invited lecturer, 13th Annual Dermatology Update, Tulane University Medical Center
 New Orleans, LA
 Visiting Professor, Dermatology Grand Rounds, Harvard Dermatology Program
 Massachusetts General Hospital, Boston, MA
 Lecturer, Dermatology for Primary Care Physicians, Boston University School of Medicine
 Boston, MA
 Visiting Professor, Dermatology Department, Southwestern Medical Center, University of Texas,
 Dallas, TX
 Invited Lecturer, New Zealand Dermatological Society Annual Meeting, Fiji, New Zealand
 Lecturer, Primary Care Residents Course, Boston City Hospital, Boston, MA

- Guest Lecturer, Canadian Symposium on Wound Management, Toronto, Canada
 Lecturer, Internal Medicine Lecture Series, Boston University Medical Center Hospital
 Boston, MA
- 1997 Guest lecturer, Massachusetts Osteopathic Society, Sturbridge, MA
 Biology of Disease Course, Boston University School of Medicine, Boston, MA
 Invited Speaker, Chronic Dermal Ulcer Drug Delivery Meeting, Sandwich, UK
 Invited Speaker, Medical Grand Rounds, Carney Hospital, Boston, MA
 Invited Speaker; Geriatric Medicine Course, Harvard Medical School, Cambridge, MA
 Invited Speaker, Chronic Wound Symposium, American Academy of Dermatology Annual
 Meeting, San Francisco, CA
 Invited Speaker, Dermatology for Primary Care Physicians Course, Boston University School of
 Medicine, Boston, MA
 Invited Speaker, Surgery Grand Rounds, Mainonides Medical Center, Brooklyn, NY
 Keynote Speaker, Wound Healing Society, 7th Annual Meeting, Nashville, TN
 NIH/NCRR Biomedical Research Seminar, Boston, MA
 Invited Speaker, American Academy of Dermatology, New York, NY
 Guest Speaker, Massachusetts Academy of Dermatology Annual Meeting, Falmouth, MA
 Invited Speaker, Congresso internazionale interdisciplinare clinico-biologico (Wound Healing
 Workshop), Rome, Italy
 Keynote Speaker, "Leg Ulcers - Today & Tomorrow", 2nd Annual Wound Care Conference,
 Akron, OH.
 Invited Guest Lecturer, "Venous Ulcers", Wound Management Roundtable, St. Petersburg, FL.
 Lecture to Internal Medicine Residents, Boston, Medical Center, Boston, MA
 Grand Rounds, Underwood Memorial Hospital, Woodbury, NJ
 Invited Speaker, Canadian Symposium on Wound Management, Toronto, Canada
- 1998 Lecturer: Biology of Disease Course, Boston, MA
 Invited Speaker, Collaborative Course on Biology of the Skin, New England Medical Center,
 Boston, MA
 Invited Speaker: Winter Skin Seminar, Snowmass, CO. American Academy of Dermatology
 Annual Meeting, Orlando, FL "Estrogen and the Skin" ; "Occlusive Wound Dressings, Physical
 Modalities in Chronic Wound Management"
 Speaker & Chair, Advanced Wound Care Symposium, Miami, FL. "Patient Outcomes,
 What are we looking for & how do we get there?" Dermatology Section, Underwood School
 HealthFair
 Visiting Professor, Department of Dermatology, University of Cincinnati, OH
 Guest Lecturer, Cincinnati Derm Society, Cincinnati, OH
 Speaker, Dermatology for Primary Care Physicians Course, Boston, MA
 Chair, Wound Healing Symposium, Clinical Dermatology 2000, Singapore
 Speaker, Chair & Editorial Board Member: Centers for Wound Healing Excellence Educational
 Program, March, May, December 1998, Boston, MA
 Speaker: Dermatology Branch, National Institutes of Health *Biologic Skin Substitutes*, Bethesda,
 MD: Sept 16, 1998
 Speaker: North American Menopause Society Meeting: *Estrogen and the Skin*. Toronto, Canada
 Sept. 16-19, 1998
 Lecturer: Committee on Safety of Medicines *Safety and efficacy of 30% ammonium lactate upon
 photodamaged skin*. London, UK; Sept 24, 1998 Lecturer: Satellite Teleconference Teaching

Program *Management of Leg Ulcers*. Boston, MA; Oct 3, 1998
 Lecturer & 1st Prize Recipient: Wound Care Awards Ceremony
Effect of Chronic Wound Fluid on Fibroblasts London, UK; Oct 21-23, 1998.
 Speaker: Ortho McNeil Scientific Advisory Board Meeting: *The effect of hormone replacement therapy on the skin*. New Jersey, Oct 6, 1998.
 Speaker: New England Medical Center, Collaborative Course on Biology of the Skin. Boston, MA October 1998

1999 Lecturer: Biology of Disease Course *Aging and the Skin*. Boston, MA; Jan 5, 1999.
 Lecturer: New England Dermatology Society Meeting; *What's new in wound healing*. Boston, MA; Feb 6, 1999.
 Chair, AAD Annual Meeting Wound Healing Symposium: *Venous Ulcers Outcomes: Prognostic Factors* New Orleans, LA, Mar 20, 1999
 Guest Speaker: American Diabetes Association, Consensus Meeting on the Diabetic Foot Ulcer: *Physical Modalities in Wound Management* Boston, MA; April 8, 1999
 Guest Lecturer: American College of Physicians Meeting "Meet the Professor" Session, *Leg Ulcers: Differential Diagnosis & Management*. New Orleans, LA; April 19-21, 1999.
 Symposium on Advanced Wound Care: *Common Skin Conditions in Your Wound Healing Population*. Anaheim, CA; April 24-27, 1999.
 Section Chair: 5th Annual Dermatology for Primary Care Physicians Wound Healing Workshop, *Wound Healing; Management of Diabetic and Pressure Ulcers*. Boston, MA May 13, 1999
 Invited Speaker: Wound Healing Society Annual Meeting *Therapeutic Possibilities for Problematic Wounds: Cell Implantation*. Minneapolis, MN; June 20-22, 1999.
 Lecturer: Anatomy, Reconstruction and Cosmetic Surgery. *Wound Healing*. Boston University School of Medicine, Boston, MA, July 15-17, 1999.
 Invited Speaker: Joint Meeting of The European Tissue Repair Society. *Markers for Leg Ulcer Management*. Bordeaux, France, Aug 24-28, 1999
 Guest Speaker: Ottawa Dermatology Society Meeting, Ottawa, Canada, Oct. 22-23, 1999
 Lecturer: Big Apple Wound Care Conference: *Inflammatory & Miscellaneous Wounds*. New York City, NY; December 15, 1999

2000 Guest Speaker, Fourth Annual International Symposium on Aging Skin: *Daily vs Intermittent Sunscreen Use: Implications for Photodamage*. Ft. Lauderdale, FL: Jan 27-30, 2000
 Guest Speaker; Dermatology Foundation Colloquium 2000. Palm Beach, FL; Feb. 19-23, 2000
 Guest Speaker: Grand Rounds, Department of Dermatology, Harvard Medical School.
 Chair: American Academy of Dermatology Annual Meeting: *Wound Healing Symposium*; Speaker: *Estrogens and the Skin; Novel Therapies for Surgical Wounds; The Fate of Human Skin Equivalents on Venous Ulcers*. San Francisco, CA; March 10-15, 2000
 Speaker: Satellite Symposium - 13th Annual Symposium on Advanced Wound Care. *Evidence Based Management of Venous Ulcers*. Dallas, TX, March 31, 2000.
 Speaker, Session Chair & Planning Committee Member: 13th Annual Symposium on Advanced Wound Care. *Aging & Wound Healing*. Dallas, TX, April 1-4, 2000.
 Lecturer: Royal Free Hospital; *Wound Healing*. London, UK, April 28, 2000
 Director & Speaker: Wound Healing Course, Dept. of Dermatology, BUSM, May 9, 2000
 Speaker: Mini Med School, Boston University School of Medicine, May 10, 2000
 Lecturer: 6th Annual Dermatology Course for Primary Care Physicians. Waltham, MA; May 19, 2000.
 Guest Speaker: Wound Healing Society Meeting/WOCN Meeting, "The longevity of a bilayered skin construct after application to venous ulcers" Toronto, Canada June 4-6, 2000
 Scientific Advisory Board, Smith & Nephew Co., Orlando, FL Oct. 17, 2000.

- Visiting Professor, Dept. of Dermatology, Columbia University, New York, NY; Oct. 18, 2000.
- 2001 Guest Speaker, Mexican Academy of Dermatology Annual Meeting, Mexico City, Oct. 16-20, 2000.
- Session Chair: American Academy of Dermatology Annual Meeting: *Wound Healing* Symposium; Washington, DC; March 2-7, 2001
- Guest Speaker: Caritas Norwood Hospital Grand Rounds: *Management of Chronic Wounds*. Norwood, MA; June 12, 2001
- Bacterial Infections; Approach to patients with leg ulcers*. June 18, 2001.
- Invited speaker: International Leg ulcer Advisory Board Meeting, (*How Can We Effectively Manage Hard to Heal Wounds?*) Interactive Forum; Cardiff, UK; September 3, 2001
- Guest Speaker: Primary Care for Physicians Course, *Skin Infections*; Sept. 2001, Boston University School of Medicine, Boston, MA
- 2002 Speaker: Biology of Disease course, *Geriatric Dermatology*, January 7-10, 2002; Boston University School of Medicine
- Session Chair: American Academy of Dermatology Annual Meeting: *Wound Healing* Symposium; February 25, 2002; New Orleans, LA
- Oral Presentation: Factor V Leiden mutation and leg ulcers. American Academy of Dermatology Annual Meeting: *Wound Healing* Symposium; February 25, 2002; New Orleans, LA
- Guest Speaker: MIT Womens League. *Misbehavers of Older Skin and What To Do about Them*. April 11, 2002; Cambridge, MA
- Session Moderator: 15th Annual Symposium on Advanced Wound Care; Research Track: Growth Factors. April 30, 2002; Baltimore, MD
- Guest Speaker: Family Medicine Grand Rounds, *Leg Ulcers*; June 11, 2002; Boston University School of Medicine, Boston, MA
- Speaker: Internal Medicine Residents Course *Leg Ulcer Management*; June 3, 2002; Boston University School of Medicine, Boston, MA
- Speaker: Primary Care for Physicians Course: *Skin Infections*; June 7, 2002; Boston University School of Medicine, Boston, MA
- Guest Speaker: 20th World Congress of Dermatology: *Unusual Causes of Leg Ulcers*; July 5, 2002, Paris, France
- Visiting Scholar, Regional Conference in Dermatological Laser and Facial Cosmetic Surgery, *New Skin for Old: The Use of Skin Substitutes for Acute and Chronic Wounds*, September 12-14, 2002, Hong Kong, China
- Guest Speaker, New England Region Wound, Ostomy and Continence Nurse's Society, *Atypical Leg Ulcers*, October 24, 2002, Westford, MA
- 2003 Speaker: Biology of Disease Course; *Geriatric Dermatology*. January 6, 2003; Boston University School of Medicine
- Guest Speaker, 27th Hawaii Dermatology Seminar, *Estrogen and the Skin*, February 14-22, 2003, Maui, Hawaii
- Faculty Speaker, American Academy of Dermatology 61st Annual Meeting, *Advances in Wound Dressings*; March 21-26, 2003, San Francisco, CA
- Session Moderator & Speaker, 16th Annual Symposium of Advanced Wound Care, *Hormones in Healing* April 28-May 1, 2003, Las Vegas, NV.
- Guest Speaker, Ist Amadeus Expert Advisory Panel Meeting, *Predictors of Healing in Venous Leg Ulcers*, June 10-13, 2003, London, UK
- Guest Speaker, Clinical Symposium on Advances in Skin & Wound Care, *Unusual Causes of Leg Ulcers*; A Phase III, Prospective, Randomized Study of a Foam Composite Dressing versus a Hydrocellular Foam Pad (Poster); Community Use Evaluation of a Novel Composite Hydrofiber Dressing for the Management of Diabetic Foot Ulcers (Poster) October 16-19, 2003, Chicago, IL

- Panel Member: NIH National Institute of Arthritis and Musculoskeletal, and Skin Diseases.
December 8, 2003, Bethesda, MD
- 2004 Speaker: Biology of Disease Course; *Geriatric Dermatology*. January 6, 2004; Boston University School of Medicine
- Panelist/Speaker, 2nd Amadeus Expert Advisory Panel Meeting, March 18 & 19, 2004, London, UK
- Speaker Contemporary Conference on Topical Retinoids. *Assessment of Long Term Safety and Efficacy of Topical Retinoids*. March 22, 2004; Orlando, FL
- Speaker: International Leg Ulcer Advisory Board. April 30-May 2, 2004; Orlando, FL
- Presenter: 17th Annual Symposium of Advanced Wound Care, *Effectiveness of biosynthesized cellulose wound dressing for the treatment of chronic venous leg ulcers, results of a multicenter randomized study involving 49 patients*. (Poster) May 2-5, 2004; Orlando, FL
- Speaker: 2nd Congress of the World Union of Wound Healing Societies. *Predictors of healing in Venous Leg Ulcers; Leg Ulcers- Compression; Unusual Causes of Leg Ulcers*. July 8-13, 2004; Paris, France.
- Speaker: 8th Annual Dermatology for the Primary Care Provider Course; *Skin Infections*. June 11&12, 2004; Boston University School of Medicine
- Speaker: Clinical Symposium on Advances in Skin and Wound Care. *"Effectiveness of Biosynthesized cellular wound dressing for the treatment of chronic venous ulcers: results of a multicenter study"*. Arizona, September 30-October 3, 2004.
- Speaker: 1st international Conference of The Department of Dermatology, Suez Canal Faculty of Medicine. *"Leg Ulcers"; Skin Substitutes"* Cairo, Egypt, December 20-21, 2004.
- 2004 Speaker: Biology of Disease Course; *Geriatric Dermatology*. January 4, 2005; Boston University School of Medicine.
- Moderator & Speaker: Symposium of Advanced Wound Care & Medical Research Forum on Wound Repair. *Section 40: Sex Hormones and Healing*. April 24, 2005; San Diego, CA.
- Presenter: World Congress on Cancers of the Skin. *Actinic Keratoses treated with Imiquimod cream – Long Term Recurrence Rates.* Vienna, Austria; May 11-13, 2005
- Panel Member: NIH – Study Section on Skin Aging, June 23, 2005; Washington DC.
- Panel Member: Amadeus Expert Advisory Panel Meeting, November 20-22, 2005, Princeton, NJ
- 2006 Speaker, Biology of Disease Course, Boston Medical Center, *Geriatric Dermatology*, January 3, 2006, Boston, MA
- Speaker, DF Clinical Symposia – Advances in Dermatology: *"Wound Healing Update"* January 18-20, 2006; Naples, FL
- Speaker: Dermatology for the Primary Care Provider; June 23 & 24, 2006, Boston University School of Medicine, Boston, MA
- Speaker: American Academy of Dermatology Meeting, 'A Prospective Randomized Multicentre trial of a Human Fibroblast Derived Dermal Substitute in the Treatment of Venous Leg Ulcers' *"Advances in Wound Healing"*, *"Human fibroblast-derived dermal substitute counteracts the growth inhibitory and senescence-inducing properties of chronic wound fluid"* (poster). March 3-7, 2006, San Francisco, CA.
- Moderator & Speaker: Symposium of Advanced Wound Care & Medical Research Forum on Wound Repair. *"Medicine and Wounds: Wounds and Renal, Liver and Rheumatologic Disease"; Speaker "Skin Care in the Elderly"* May 1, 2006, San Antonio, TX
- Delegate; MEP Wound Exudate Advisory Group Meeting, *"The role of dressings in the management of wound exudate"* March 8-9, 2006, Cliveden, UK
- Speaker ; European Wound Management Association meeting, Prague, May 19 2006 *" Predictors of Healing"*
- Guest lecturer; New England Society for Vascular Surgery 33rd Annual Meeting, Boston Ma

“Biologically Active Dressings, Growth factors and Enzymes” , Sept 23

Guest lecturer; Core Curriculum in Adult Primary Care Medicine, Boston University School of Medicine, Dec 9 2006

2005 Speaker; American Academy of Dermatology Meeting, Feb 5,”*Can hormone replacement therapy turn back the clock”*

Speaker and Moderator; Biology of Disease Course, Boston University School of Medicine, Feb 9

Guest Speaker, Utah Dermatologic Society, April 27-28

Speaker and Moderator: 20th Annual Symposium on Wound Care April 28-May1

Guest lecturer Florida Society of Dermatology and Dermatologic Surgery May 31-June 3

Speaker and Moderator, World Congress of Dermatology, Buenos Aires Argentina Oct 3&4

Speaker, Dermatology Symposium, Wyeth Learning Centre, Collegeville, Pa

2008 Speaker; American Academy of Dermatology Annual Meeting, Feb 1-4 *Hormone therapy and the Skin*

Lectures to Dermatology residents, Boston University School of Medicine *Vascular Disorders*

Boston Medical Center; Invited Speaker; *Wound Care Update 2008*, April 16

Speaker and Session Chair, 3rd Congress of the World Union of Wound Healing Societies, Toronto,

June 4-8 2008 *What’s New in Pharmacologic Agents for Wound Healing;*

Cost versus Cost effectiveness

Speaker; Management of the Difficult to Treat Patient in Dermatology; Boston University School of Medicine Nov 19-22 2008

2009 Moderator and Speaker; Venous Surgical and Non Surgical interventions; Joint Symposium on Advanced Wound Care and Wound healing Society Meeting, Dallas Tx , April 26-29, 2009

Speaker; Wound Symposium; American Academy of Dermatology Summer Meeting 2009

Invited Guest Lecturer XXXII Controversias en Dermatologia , Oct 8-10, Mexico City

Speaker, Management of the difficult to Treat Patient in Dermatology. Oct 22, Boston University School of Medicine

THESIS ADVISOR

1990 [REDACTED] M.A., Boston University

1993 [REDACTED], M.A., Boston University

1994 [REDACTED] M.A., Boston University

1994 [REDACTED] M.A., Boston University

1996 [REDACTED] M.D., D.Sc., Boston University

1997 [REDACTED] NIH/NCRR Biomedical Research Program

2001 [REDACTED] Ph.D., Boston University

2002 [REDACTED] BS, University of California San Diego

2002 [REDACTED] Ph.D., Massachusetts Institute of Technology

2003 [REDACTED], D.Sc. Boston University

2004 [REDACTED] Ph.D. Massachusetts Institute of Technology

[REDACTED] D.Sc. Boston University

[REDACTED] Medical Student, Boston University School of Medicine [REDACTED]

MAJOR RESEARCH INTERESTS:

1. Wound healing
2. Aging of the skin.
3. Keratinocyte culture and biologic skin substitutes.

RESEARCH GRANTS:

2006

2007

 University of Pittsburgh School of Medicine Editorial Advisory Board;Centers for Wound Healing Excellence Program.
 1998-2002 Member; Annual Meeting Evaluation Committee, American Academy of Dermatology
 Consultant, Food & Drug Administration General & Plastic Surgery Devices Panel of the Medical Devices Advisory Committee, Center for Devices & Radiological Health
 Board of Directors, Womens Dermatology Society
 Board of Directors, Association for the Advancement of Wound Care
 Symposium Director, AAD Annual Meeting

Boston University School of Medicine Honors and Awards Committee 1999-2001
 Ad Hoc Committee for Promotion of [REDACTED]
 Editorial Advisory Board: Journal of Wound Care
 Medical Research Forum & Symposium on Advanced Wound Care Planning committee
 Editorial Advisory Board: Dermatologic Surgery
 Boston University Office of Information Technology -
 -Subcommittee on Clinical Research
 Ortho McNeil pre-IND Meeting FDA (2/8/00)
 Boston University Promotion Committee for [REDACTED]
 2002 Consultant, Food & Drug Administration Panel of the Medical Devices Advisory Committee,
 Center for Devices & Radiological Health
 Promotion Committee for [REDACTED] Boston University School of Medicine
 Committee for Promotion of [REDACTED] Boston University School of Medicine
 Board of Directors; Symposium on Advance Wound Care Planning Committee
 Advisory Body Member: Michael Smith Foundation for Medical Research;
 International Leg Ulcer Advisory Board, Cardiff, Wales
 Women's Dermatologic Society Mentorship Awards Committee
 Advisory Board - Yale University Program for the Advancement of Chronic Wound Care (2003-
 2004)
 AAWC Governmental & Regulatory Affairs Task Force
 Physician Advisory Panel - Boston University School of Medicine
 Advisory Board -NIH Study Section on Skin Aging.
 Boston Medical Center Ambulatory Subcommittee of the Pharmacy and Therapeutics Committee
 International Consensus Panel, Principles of Best Practice
 Member. Ad Hoc Committee for the appointment of [REDACTED] to full Professor, Boston
 University School of Medicine
 Member, Ad Hoc Committee for the appointment of [REDACTED] to Full Professor, Boston
 University School of Medicine
 2009 England Dermatologic Society Council Member
 Delphi panel, European Wound Management Association

 2010 Member, General and Plastic Surgery Devices Panel on UV radiation and tanning beds
 New England Dermatologic Society Council Member
 Board of Overseers, Boston University Huntington Theatre Company
 Volunteer dermatologist, Rosie's Place, shelter for homeless women and children
 British Skin Foundation Research Awards Committee
 Member, FDA General and Plastic Surgery Devices Panel on Melafind
